Outdoor Ministry to the

children and youth of Western

Pennsylvania

Lutherlyn is a place of seasonal rhythms

☀ Summer's excitement and activity brings together 1,600 young people, a staff of 60 young adults and a whole host of volunteers (as chaplains, grandparents, office, kitchen, craft cabin and maintenance help) for summer camping experiences that provide children and youth an opportunity to learn and grow:

- * In a sense of the joy and goodness of life;
- * In living a Christ and faith-centered life;
- * In stewardship of self, others and the earth;
- * And in a sense of his or her own worth and the ability to make a difference.

🍂 Autumn brings a different kind of busyness as the women of the church gather for their retreats, confirmation classes and church councils begin their yearly agendas on the right foot, gatherings draw men and women to spiritual enrichment, and parish groups of many kinds come to enjoy the color and solitude of the autumn woods. School groups enjoy and learn about animals and their habitats, and about how they prepare for the coming winter.

❄ Winter continues the time of quiet reflection as retreaters gather in community with one another and in communion with God and creation to study and deepen their faith. Our Advent Retreat helps families get into the true spirit of Advent and prepares families for the Christmas Season. Winter youth retreats offer summer campers a weekend of learning, fun and reunions with friends and summer staff.

🌸 Spring is a time to celebrate renewal and Lutherlyn bursts with new life as bus loads of environmental education students come to learn and celebrate the rites of spring. Maple Sap begins to flow, and it is time to make maple syrup, which is enjoyed during the year in the dining hall. Youth Leadership Development Institute, Youthfest, Work Day & Open House mark the return of warmth and sunshine.

Promises to Keep

Many people return to Lutherlyn again and again for its deep sense of solitude, of peace, and of the presence of God. It is a wondrous place apart from the hectic daily life most people lead.

👨👩👧👦 **Five generations of Lutherans have grown to love Lutherlyn and have cared enough to keep the promises alive. The challenge is to continue to provide excellent Christian educational camping experiences—accessible to all children.**
