Mix and match from all of the programs offered to create your own unique experience.

- **One-Day and Overnight Trips** - Bring your girls for the day, or stay 1 - 2 nights in our comfortable cabins with full-service dining facilities.
- **Food** - Bring your own lunches, cook your own food over the campfire, or let our food-service staff provide the meals for you.
- **Cost** - Total cost is dependent on the number of programs you would like to do, which programs you choose, length of stay, and your food service options.
- We suggest a whole day event that would include a horseback riding program and 2-3 environmental education and/or adventure activities.
- We can suggest fun patches that relate to each activity. Lutherlyn does not provide the fun patches.
