Life Changing Adventures in Faith

Greetings!

Thank you for your interest in the Lutherlyn Staff-In-Training (S.I.T.) program. We are looking for mature, responsible, young people willing to learn and grow in faith while developing their own skills as leaders.

The S.I.T. program offers you an opportunity to be a part of and work with our summer staff as servants to others. You will also have a chance to work with and learn from other teens with similar interests. This two-week program offers you an opportunity for personal development and growth through hands-on experiences, leadership training, and theological education.

Enclosed you will find an application and a description of the program. We want to invite you to be a part of the Lutherlyn ministry team. The first step is yours by returning the application for consideration as an S.I.T. and distributing the reference forms to be returned to Lutherlyn.

If you are one of the people chosen to serve as an S.I.T., we will send you a covenant agreement. The S.I.T. program is a leadership opportunity for which Lutherlyn charges $300.00. This fee covers the costs of the training week. S.I.T.'s who are invited to attend the second week of the program do so at no charge.

We hope you will consider being an S.I.T. this summer!

Sincerely,

Deb

We will also challenge you to see your own gifts and talents and to see ways you can use them for ministry.

QUALIFICATIONS: S.I.T.s must have **completed** the 10th grade or be 16 years old and have interest in outdoor ministry and developing leadership skills. This week builds leadership skills in preparation for your second week. **The training week is June 18-23, 2017**.
