

Lutherlyn Equestrian Center - Riding Day Camp

Driving Directions & What to Bring

Typically we'll spend each morning focused on equine knowledge and skills, which will include both mounted and unmounted lessons. After lunch in Lutherlyn's Dining Hall we will enjoy fun camp activities like crafts, swimming, and games. If weather permits, one lunch will be a cookout!

All riders are required to wear jeans (or riding breeches), boots, and a helmet. (Don't worry if you don't have boots or a helmet, you can borrow them from us.) Campers may change after riding activities conclude each morning. Shorts and sandals are permitted for non-equine activities but all footwear must remain securely on the feet. Flip-flops and slip on shoes that easily fall off are not permitted. Any sandals must have backs on them and will not be suitable for some activities.
