

Dear Arts Camp Photography Camper,

Arts camp is quickly approaching and it is going to be an awesome week! Here are a few things for you to bring, if possible, for your photography major.

- **Digital Camera** – Can be a “point and shoot” or a Digital SLR camera. Please no I-Pods, Cell Phone Cameras, or Apple devices.
- **I-Pad** – this is completely optional. This will not be used for taking photos but can be used for editing photos.
- **Charging Cable or Battery Charger** – whatever you need to keep your camera charged.
- **USB Cable** – This is the cable that came with the camera to connect it to a computer.
- **Memory Card** – please make sure that your camera has a memory card in it.

Please label your belongings so that everyone goes home at the end of the week with their own stuff. For cables, you can write your name on masking tape or on a label and wrap it around the cable.

We will provide laptops or computers for editing photos. If you do not have a camera, please e-mail deb@lutherlyn.com ASAP so we can make arrangements to loan a camera to you. Campers will be able to lock their devices in the office when not in use.

If you have any questions, please e-mail or call Deb at deb@lutherlyn.com or 724-865-2161. See you at camp!

Sincerely,
*Pastor Mort &
