

What is YouthFest?

YouthFest is the SWPA & NWPA Synods' Junior High and Senior High Youth Retreat! It is a great weekend away at Lutherlyn to play, worship, learn, grow, and "get away from it all" with other youth and adult leaders.

Theme: YOU ARE NOT ALONE

We are meant to be in healthy, loving relationships - and we have a responsibility as children of God to love and care for each other, knowing that God is with us and cares for us. This theme will focus on bullying and how we respond to it.
