### 2017 Family Camp Dates: July 2-8, 2017

**2016 FAMILY CAMP COMMITTEE:** Lynn Kinney, Rick and Mary Hetrick, Glenn and Barb Harris, Jim and Jennifer Robertson, Susan and Mario Lanna

*The Family Camp Committee requests your help in making our camp week together the best it can possibly be. The committee requests that all families attend the Family Camp Kick-Off in Rice Hall at 4:30 on Sunday.*

*There will also be a brief orientation for our new families after the Kick-Off Meeting on Sunday (right before dinner).*

*If you have suggestions, comments, or concerns about the Family Camp program or if you would like to be on the Family Camp committee in the future, please contact someone on the committee or one of Lutherlyn's Directors.*

*The Lutherlyn Staff would like to thank the Family Camp Planning Committee for their time and help in preparing this year's program.*

## DINING HALL PROCEDURES

Below you will find some helpful information about what to expect at the Dining Hall.

Grace and announcements will be made in the middle of every meal in the Dining Hall and on the porch.

Meals will be served cafeteria style in both the Large and the Small dining halls.

- Trays, dishes and silverware are found at the beginning of the serving line. Please do not take a tray if you do not need it.
- We will be serving buffet style. As such, you will be serving yourself. Please remember to eat what you take, and to be good stewards of God's resources. Seconds will be available after everyone has been through the lines once. Parents, please supervise your children through the service lines to reduce waste and for safety reasons.
- Drink stations can be found in each dining room. Glasses are located in the racks beside the drink dispensers. Coffee and tea along with creamer and sugar can be found at the drink stations also.
- There will be two salad bars/breakfast bars in the Large dining hall and one in the Small dining hall for your convenience. These will be separate from the meal service lines and will be equipped with dishes as well. If you don't care to eat the hot dish that is being served, you may go directly to the salad bar.

When you have finished eating please scrape and clean off your plates.

- ALL liquids go in the liquid bucket found at the dish return areas in the two dining halls.
- Foods such as cheese, meat, bones, ranch dressing, peanut butter, eggs and paper products

- are to be disposed of in the yellow trash shoot located on the dish counter.
- All fruits, vegetables and bread products can be put in the COMPOST bucket.
- Plates and bowls and cups can then be given to the kitchen staff to clean.
- The last person at each table should wipe the tables off using the bucket and rags found at the dish stations.
- Cups are placed in the cup rack at the dish return area.
- Flatware is placed in the gray bins located at the dish return area.

Please follow these procedures for ease of service and hospitality to kitchen staff and guests.

## ***THE FAMILY CAMP COMMUNITY***

Although the following rules are expressed in "negative" terms, they are established for the "positive" purpose of providing the best possible community experience for the campers who come to Lutherlyn. The cooperation of each camper will assist the Staff to provide all with a week of friendly, enjoyable Christian community life that is outstanding in today's world.

### **1. USE OF MOTOR VEHICLES**

All motor vehicles must remain parked in the parking lot. Use of car or other motor vehicles is strictly prohibited in the cabin area at all times. Please do not park by your cabins. Please observe posted speed limits

### **2. BIKES All riders under age 12 are required to wear a helmet.**

All bike riding will stop at 8:30pm each evening. Pedestrians have right of way and bikes must yield. Bikes must be parked in designated areas near Rice Hall, Wallace Hall, Ed Building, and Dining Hall. Do not park on porches.

### **3. QUIET TIME**

There is no restriction regarding lights out in the cabins. BUT, quiet time is set at 11:00 p.m. The Dining hall will be available for adults to enjoy late hour fellowship.

### **4. CAMPFIRE**

Fires are permitted in the established campfire areas only.

### **5. LITTERING**

Please help us keep our camp clean and beautiful. Use the litter cans provided for that purpose. **Cigarette** and **cigar butts** and **chewing gum wads** are considered litter; please do not throw them on the ground. Pop can tabs are cause for injury to feet; please deposit them in the trashcans. All aluminum cans may be recycled in containers in front of the office and Rice Hall. Glass & plastics (1&2) may also be recycled in containers on the office porch.

### **6. FOOD**

Meals and evening snacks will be provided in the DINING HALL. **PLEASE DO NOT ENTER OR PASS THROUGH THE KITCHEN AT ANY TIME.** Please use the paper or disposable cups conservatively for the economy and ecology of the camp. If you have food in your cabin, please keep it stored in an air-tight container and avoid spills and crumbs on the floors. Food in the cabins welcomes four-legged, furry visitors!

### **7. SUPERVISION OF CHILDREN**

Except during the morning program, families must supervise their children at all times. This is especially important while swimming, boating and fishing. The "Buddy System" will be used by all people at all times at the waterfront.

Campers are not permitted to climb trees in the camp area for the good health of the young trees and young children.

Please do not permit your children to throw stones on the camp, in the reflecting pool at the amphitheater or in the lake.

### **8. PETS**

The Lutherlyn Board of Directors, for the health and safety of all campers, has adopted a **NO PET POLICY.**

### **9. GAMBLING, DRUGS, FIREARMS, ALCOHOL, ETC.**

Gambling and illegal drugs are never permitted on the campsite. Firearms, air rifles, archery equipment, slingshots, or weapons of any kind are not permitted on the camp site at any time. Alcohol is prohibited.

### **10. QUIET CONSIDERATION**

During both morning and evening periods a quiet atmosphere must be maintained throughout the camp. This also applies to any special devotional period that might be scheduled. Tournaments and other activities should not be scheduled during study and devotional times.

### **11. GUESTS WELCOME**

A limited number of guests or visitors are welcome provided that reservations are made at least one day in advance so that necessary preparations can be made. Go to the Camp Office to make reservations for your guests.

### **12. REMINDER TO ALL**

Please be courteous and respectful toward other campers and the staff. Smile at others often and have fun.

# ***WATERFRONT AND POOL RULES***

The following are the **WATERFRONT** and **POOL** rules. Please read them carefully as many of them have been changed. These rules have been established and revised for the safety of all swimmers. They must be followed to insure maximum safety. All rules must be followed, otherwise you will be asked to leave.

1. The buddy system will be enforced at all times for ALL swimmers. If you do not have a buddy, one will be assigned to you.

2. Live minnows may not be used for bait.
3. Barbs must be removed or crimped on all hooks or lures.
4. All bass under 9 inches and pickerel under 24 inches must be released with care.
5. Two bass per day and one pickerel per week is the limit per camper.
6. Campers will not be permitted to wade into the Lake.

## **UNIVERSAL EMERGENCY PROCEDURES**

### **STEP ONE: STAY CALM:**

Remember, a life may depend upon your clear thinking and prompt, correct action. You can help no one if you panic or perform the incorrect action.

### **STEP TWO: ASSESS THE SITUATION:**

What are the facts? Is there still danger? Is there need for help? Should we take cover? Is there injury? What needs to be done?

### **STEP THREE: PLAN THE COURSE OF ACTION**

Determine the order of needs, movement, first aid, send for help, take cover, etc. Plan how to carry out the action. Determine who is to do what. When applicable, yield authority to a superior or to one more highly trained in dealing with the emergency.

### **STEP FOUR: CARRY OUT THE PLAN:**

When you have formed your plan, put it into action.

### **STEP FIVE: GET HELP AS SOON AS POSSIBLE:**

This step may have been part of step four or it could wait until the emergency passed. As soon as possible, notify the Nurse, Directors/Unit Leaders.

## **PUBLIC RELATIONS CONCERNING AN EMERGENCY**

1. Cooperate fully with the authorities.
2. Know the essential facts, i.e., nature of events, results. Stick to the Facts!! Do not offer opinions.
3. Do not volunteer information to spectators, campers or strangers.
4. If asked about insurance coverage, you are only authorized to say "it will be referred to the camp's insurance company."
5. In dealing with the news media/public, maintain an attitude of cooperation, but do not give any information. Refer all questions to the Directors.
6. Never give any information off the record.

## **DUTIES OF THE NURSE AND GENERAL STAFF**

1. Give prompt attention to campers and staff in need.
2. Record all medications, band aids, etc., with the date, time, and what you did. If you are out of camp, write it down anyway and make sure the nurse receives the information upon return to camp. **THIS IS MOST IMPORTANT FOR YOUR SAFETY AND THE CAMP'S.**
3. Report to the nurse any problems that concern the health of your campers and yourself.

## **CAMP LUTHERLYN DISASTER PLAN MANUAL**

**"Universal Emergency Procedures" To be applied in all "disaster situations."**

1. The administrator on duty will direct all operations from the office.  
\*\* All staff and campers will listen for instructions which will be given over public address system.
2. If the public address system is non-operative, staff will assume the "decision making role" in close adherence to the principles set forth in this manual.
3. Following any major disaster it is very important for all people to remain where they are until an inspection is made of the area by the Administrator.
4. The Administrator on duty or other appointed personnel will:
  - a. Call 911 to request the proper help.
    1. State nature of emergency.
    2. Give directions to camp and the site of emergency our address is 500 Lutherlyn Lane, Butler, PA 16001  
**(Instruct emergency vehicles to use main gate)**

3. Give camp phone number 724-865-2161
- b. Dispatch someone to front gate to guide emergency personnel to site.  
 \*\* The person at the Main gate should let only emergency vehicles onto the camp and close the gate to all other traffic.
- c. Remain at the office to receive all requests for aid, and to send the proper staff to areas in need of help.
- d. Initiate the follow-up inspection of scene.
- e. Issue the "all clear" signal when proper to do so.
5. To make these emergency plans most effective, all camp groups will make a daily report of all activities on the activity board in the staff lounge. This will include:
  - a. Group and leader identification.
  - b. Time and place of activity.

### **SEVERE STORMS**

1. When severe warnings are received by the camp office, the administrator on duty will:
  - a. Notify all staff members and campers of the warning.
    1. All activities will be restricted to cabin areas.
    2. All campers and counselors remain in cabin groups
  - b. If there is not time for a staff meeting, the Administrator will issue a call via the public address system for all campers and staff to return immediately to cabins.
2. Counselors will:
  - a. Make a check to make sure all campers are present.
  - b. Initiate activities to keep campers occupied throughout storm periods.
  - c. Not permit campers to leave the cabin until the "all clear" has been issued.
3. If cabins or buildings are struck by lightning:
  - a. The staff person in charge will:
    1. Evacuate all persons and send them to the immediate next building.
    2. If persons are injured, initiate proper first aid procedures.
    3. Send a responsible person to nearest place to call for help.
  - b. The Administrator in charge upon receiving the call for help will:
    1. Initiate the procedures outlined in "Universal Emergency Procedures".
    2. Send additional staff to the scene of disaster.

### **WIND STORMS**

1. Seek shelter inside a building.
  - a. Camper cabins are preferred.
  - b. Other buildings with smallest roof areas are best if you are not near your cabin.
  - c. Avoid buildings with many windows or large windows.
  - d. Inside of building, gather in the corner which faces the direction from which wind is coming.
  - e. Construct an inside shelter of tables, beds, etc., and place all people under it.
  - f. If needed, give first aid treatment within the "inside shelter".
  - g. If possible, evacuate the area when the storm subsides.
  - h. If a person is trapped, send a pair of reliable persons to the office or nearest calling point to request help.
2. If no buildings are available:
  - a. Lie flat on the ground in ditches or depressions or behind large rocks and stumps.
  - b. Avoid the areas where there are large trees or electric lines.
  - c. Seek shelter in groves of small trees or brush.
  - d. When storm subsides initiate first aid procedures if necessary.
3. Report your location to camp office as soon as possible.

## **FIRES**

### **FIRES IN BUILDINGS:**

1. When a fire is detected:
  - a. Notify office.
  - b. Evacuate the area.
  - c. Make a check to determine the presence of campers.
2. In case of major fire the Administrator will order a mass evacuation by announcing it over the public address system.
  - a. Camp counselors will lead their campers to the announced location of their Unit Leader. The Unit Leader will lead the group to a safe location.
  - b. The Camp Administration will announce specific pick-up points and dispatch vehicles to these areas if it is necessary to evacuate.
  - c. In most cases, the campers will be instructed to proceed to the lake area.
  - d. Each Unit Leader will be responsible for making sure all are present and accounted for.

### **FOREST FIRES OR FIELD FIRES:**

1. Notify office.
2. Evacuate campers.
  - a. Proceed in a direction away from the fire.
  - b. Head toward to nearest body of water or road.
  - c. If necessary, enter the body of water (only if there is no danger of drowning) otherwise remain at edge.
3. Keep clothing wet.
4. Lie close to the ground to avoid smoke inhalation.
5. Keep the group close together.

### **FIRE RISK MINIMALIZATION**

1. The danger of fire is considered minimal at Lutherlyn because:
  - a. The construction of the buildings.
  - b. The large amount of open spaces present in the camp.
2. In times of prolonged drought the Administration will restrict campfires and sleep-out activities.
3. Fire extinguishers are located in all public buildings.
4. To help prevent fires as well as to promote a healthy atmosphere, Lutherlyn prohibits smoking in any camp building.

## **DROWNING**

1. If a guard notices a swimmer struggling, the guard will initiate a rescue.
2. If a "Buddy" reports a "Buddy" in trouble, the guard will initiate a rescue.
3. If during a buddy check a person appears to be missing, clear the swimming area.
  - A. The Waterfront Director will instruct the guards to begin an orderly "dive and search procedure".
  - B. He/she will use the intercom to notify the office of the identity of the missing person.
  - C. All counselors at the lake will immediately take an attendance check of their campers and report the results to the Waterfront Director. If the "missing person" is not missing, the search will be halted.

\*\* If a camper is indeed missing, the counselor will lead the other campers back to their cabin.
3. The office will:
  - A. Send the nurse to the waterfront.
  - B. Initiate a search of the camp in case the person left the lake area to return to his or her cabin or joined other activities.
  - C. Call 911 for emergency help.
4. If a person is found in the water, a waterfront staff person will initiate first aid as necessary.
