- 1:00 pm—Stream Critters**—Everyone loves to catch stream critters! We will provide the equipment; let's see how many things we can find!
- 1:30 pm—Searching for Amphibians**—Spring is a great time to look for frogs, toads, salamanders, and tadpoles. Are you quick enough to catch some of these amazing creatures?
- 2:00 pm—Terra Dei Tour - Meet at Terra Dei Homestead**—Learn about ways to take care of God's Creation while you explore the organic garden and the first straw bale house built in Pennsylvania.
