Program Focus

Saturday Safaris are designed for families of all sizes and shapes, youth groups, scout groups, individuals, and any interested parties. Curious minds of all ages are welcome; the only requirement is that there is an adult responsible for all children.

Programs begin at Lutherlyn's Environmental Education Center at 9:30 am and last until approximately noon.

2019 Safari Schedule

Each Saturday Safari begins at the Environmental Education Center at Lutherlyn at 9:30 am and concludes around noon, unless otherwise noted.

February 2, 2019 6:00 pm - 8:00 pm

Night Hike & Stars

February 2, 2019 6:00 pm - 8:00 pm

A special night Safari! Join us as we explore the forest in the dark (bring a red-light flashlight if you have one). We will learn about our night vision, listen for night sounds, look for animal tracks in the snow, and check out some winter constellations (weather permitting).

Maple Syrup Time

March 2, 2019

This program features winter tree identification, tapping a maple tree, collecting sap, and observing the evaporation process. Dress to be outside.

Due to the popularity of our Maple Sugaring program two sessions are offered. There will be a morning session from 9:30 am - noon and an afternoon session from 1:00 pm - 3:30 pm. Please register for one session only.

Amphibian Hunt

September 14, 2019

September is a great time to hunt for frogs, toads, and salamanders. We will spend some time in the forest and some time at the lake trying to catch these elusive creatures.

Archaeology & the Venango Trail

November 2, 2019

In December 1753, George Washington followed the Venango Trail through Lutherlyn on his way home to Virginia. We will learn more about his trip, visit the trail, and spend some time "digging" at an archaeology site along the trail.

Dress to be outside and in the dirt.
