

LUTHERLYN COVID-19 WAIVER OF LIABILITY

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is reported to be extremely contagious. It is believed that the virus can spread from person-to-person contact through respiratory droplets produced when a person infected with the virus coughs or sneezes. It was also reported that the virus can spread by contact with contaminated surfaces and/or through objects. People reportedly can be infected and show no symptoms and still spread the disease.
