An Important Piece of Advice:

Due to the number of people that come and go from our cabins and the rise in the bed bug population in the eastern United States, we advise all our campers to wash all their clothing and bedding (even things that you did not wear) in hot water when you get home. Run your sleeping bag, pillow, and any stuffed animals through the dryer on hot.

We are diligent about checking our cabins for bed bugs regularly but, unfortunately, bed bugs and bed bugs eggs can travel with people who have been to a place with bed bugs and then bring them to another bed (potentially camp) with their luggage/bedding. We encourage all our guests to take this precaution anytime that you travel, not just to Lutherlyn.

**Now the FUN stuff....
GUESS WHAT????**

**LUTHERLYN ISN'T JUST

Upcoming events include Grown-Up Camp, quilting/crafting retreats, Halloween Family Fun Day (including trick-or-treating at the cabins), Advent Retreat, Saturday Safaris, Winter Retreat, a quilt show, blacksmithing classes, and many other exciting retreats and events.
