

Lutherlyn Procedures/Policies/Waiver Related to Covid-19

These procedures have been developed with guidance from the American Camp Association, the Centers for Disease Control, and the Pennsylvania Department of Health for the health and safety of Lutherlyn's guests and staff. Compliance with these procedures is expected. Failure to do so may result in being asked to leave Lutherlyn's property.

GUESTS/CAMPERS AT LUTHERLYN

Lutherlyn is committed to serving our campers and guests in the safest way possible.

- Lutherlyn is private property and is closed to the general public. All guests/campers must be registered.
- Hand washing facilities are available in cabins and meeting rooms. Wash hands frequently. Hand sanitizer will be provided at locations that do not have running water.
- Lutherlyn will limit the number of guests on camp at any given time and follow the state guidelines for indoor and outdoor capacity.
- If a registered camper/participant/guest has or had Covid-19 symptoms within the past 14 days, has tested positive for COVID-19 in the past 14 days, has been exposed to someone who has tested positive in the past 14 days, or has been exposed to someone awaiting test results; they must cancel their reservation and not come to Lutherlyn.

MASKS

- When Butler County and/or a majority of the surrounding counties are in substantial or high level of community transmission, then everyone must wear masks indoors (except when eating or in their own cabin).
- When Butler County and/or a majority of the surrounding counties are in low or moderate level of community transmission, then those who are vaccinated do not need to wear a mask. Those who are not vaccinated must wear a mask indoors (except when eating or in their own cabin).
- Face shields are not a substitute for a mask, it must be a mask covering the mouth and nose. There are no medical exemptions for masks. If you are not able to wear a mask, please wait to join us until this requirement is lifted.
- Guests are expected to practice social distancing from other guests and staff.
- The capacity of cabins has been adjusted to account for appropriate distance.
