GENERAL INFORMATION

- If you need electricity in the Amphitheater, there is an outlet near the musician platform at the bottom of the Amphitheater. Chapel Hill does not have electricity. Baker Chapel has outlets along the walls.
- We recommend the wedding party consider wearing flat shoes. High heels can be difficult on the steps and uneven stones of the Amphitheater floor or on the softer ground at Chapel Hill.
- Lutherlyn will have general signs out with arrows to parking and the wedding venue. If you would like signs that are customized or more specific, the wedding party is welcome to bring and display signs.
- The cabin that is available for you to get ready in has a dividing wall that pulls shut to turn the cabin into 2 rooms with a bathroom on each side of the cabin. This is a great way for the bride and bridesmaids to get ready on one side of the cabin and the groom and groomsmen to get ready on the other side. This cabin is intended for the wedding party to get ready and store belongings during the ceremony. It is not for lodging the night before or after the wedding.
- If you are using Rice Hall as your rain location, it is the responsibility of the wedding party to set up the chairs. If you are using Dogwood Picnic Shelter as your rain location, it is the responsibility of the wedding party to arrange the picnic tables. Dogwood Picnic Shelter is all seating at picnic tables, not chairs.
- In case of an emergency, the retreat host can be reached by calling the office at 724-865-2161 and selecting option #2 to be forwarded to the on-call staff.
